SOLAR-POWERED PAY STATIONS AND PARKING METERS

Our solar-powered pay stations and single meters make it easy to pay for **on-street parking**. They accept Visa, MasterCard, and American Express **credit or debit** cards, as well as good old-fashioned **nickels, dimes, and quarters, and dollar coins**. Dollar bills are not accepted. You can also set up a **pay-by-cell** account at parkmobile.com.

Meter Rates

Enforced Monday-Saturday
8 a.m.-6 p.m.

Nickel	1.5 min.
Dime	3 min.
Quarter	7.5 min.
Dollar Coin	30 min.

Regardless of which on-street spot you choose, you can pay at any pay station. All you need is your license tag number to enter at the machine.

Pay during the day, free after 6 p.m.

Metered parking has a two-hour time limit enforced from 8 a.m.-6 p.m. Monday through Saturday. Parking is free after 6 p.m. and all day Sunday. Need more than two hours? Choose one of the many downtown public parking decks and lots listed on the flip side.

Why parking meters?

Parking meters are not intended to provide a source of revenue for the city. Instead, they are a form of parking management that discourages long-term use of the most convenient on-street parking by downtown employees and MARTA patrons. This helps to ensure that these most desirable spaces are available for our retail and restaurant customers.

MEET OUR PALS

Our PALS (Parking, Assistance, Liaison with Merchants and Safety) staff monitors downtown parking and writes parking tickets, but among their primary responsibilities is to serve as ambassadors for Decatur. PALS always carry retail directories to hand out to visitors.

PUBLIC TRANSIT

Decatur has three MARTA rail stations inside its city limits, and the Decatur station is directly beneath the historic downtown square. The MARTA rail system connects you to Hartsfield-Jackson International Airport, downtown Atlanta and other key stops as well as an extensive bus system. Call MARTA at 404-848-5000 for information or visit itsmarta.com.

The Emory University CCTMA shuttle connects Decatur to the Emory campus. Routes and schedules are online at transportation.emory.edu.
